Introduction: The Sacred Role of the Liturgy Book

The Ethiopian Orthodox Tewahedo Church, one of the oldest Christian denominations, boasts a rich liturgical tradition that predates many Western Christian practices. Its liturgy book—often referred to in Amharic as *Mäshafä* or *Mäshafa*—serves as the fundamental manual guiding the worship of God

through prayers, hymns, rituals, and sacramental rites.

This liturgical compendium is not merely a collection of texts but embodies the theological doctrines, historical developments, and cultural expressions of the Ethiopian Orthodox faith. Its study reveals insights into the church's identity, its relationship with divine and human realms, and its adaptation over centuries amidst changing political and social contexts.

Historical Origins and Development

Ancient Foundations

The origins of the Ethiopian Orthodox liturgical books trace back to early Christianity, with influences from Coptic Egypt, which facilitated the transmission of liturgical traditions into Ethiopia.

Traditionally, it is believed that the Tabot (sacred replica of the Ark of the Covenant) and associated rituals, including the liturgy, were established during the Aksumite Empire (circa 4th century CE).

The earliest manuscripts were handwritten on parchment, and their contents were transmitted orally and through oral tradition before being committed to text. The Ethiopian Church adopted the Alexandrian Rite, but uniquely adapted it to its indigenous language, culture, and theological nuances.

Evolution Through the Ages

Throughout the centuries, the liturgical texts evolved, influenced by:

- The introduction of Christianity as state religion under King Ezana in the 4th century.
- The influence of Egyptian, Syrian, and later Byzantine liturgical practices.
- The translation of Greek and Coptic liturgical texts into Ge'ez, the liturgical language.
- The impact of periods of political upheaval, such as the Islamic conquests and the Italian occupation, which prompted preservation and adaptation of liturgical rites.

By the 16th century, notable figures like Frumentius and Ethiopian scholars contributed to standardizing and codifying liturgical texts, culminating in a comprehensive liturgy book that would serve the church for centuries.
